(Intro)

Shake, shake, shake

Shake, shake, shake

Shake, shake, shake

Shake, shake, shake

Well it's just oo (Shake, shake, shake)

bless (Shake, shake, shake),

yeah (Shake, shake, shake.), uh huh

Well it's just oo (Shake, shake, shake)

bless (Shake, shake, shake),

yeah (Shake, shake, shake), uh huh

Yo! Turn up the mic, turn up the mic! (Shake, shake, shake)

Shake of the devil, shake, shake, shake

Shake of the devil, way, way (Shake, shake, shake)

Shake of the devil, shake, shake, shake

Shake of the devil, run him 'way (Shake, shake, shake)

(X2)

(Verse 1)

Back a who, back away, serve call, man a God man

know we na go back annal

Back a when, back a why, back away, man a Christian

know me na go a through day

Back a when, me na wan know no diet, back a why, me

a na gonna weigh it

Back a call me a na go stray it, together when a look,

we a go look 'nother way

Back away, back to the Bible, back a where and not to

di idol

Back a preach and win disciple, back to the truth,

declare the gospel!

(Chorus)

Shake of the devil, shake, shake, shake

Shake of the devil, 'way, 'way!

Shake of the devil, shake, shake, shake

Shake of the devil, run him 'way

(Verse 2)

But no evil, them find, we delight with, come fi kill and
destroy them delighted
A we youths who tell them wan blighted, mek them take
for get excited
No them had seen head gone arighted, all them hood
family, them all a fight with
Turn them back 'pon the things them right it, forget
bout God, now the devil them tight with

Chorus

In an it one mi get comfortable, no money na make
combat a fi bubble
Giant arm, we a struggle, cyan't beat them so all know
man a hussle
Feel like big it up sometimes, I want big it up
sometimes
Life hard, build it up sometime, when man a try living
out war and crime
Look around, see the signs of the time, I know
everything a pole we a shine
Open your eyes and renew your mind, got up the
minute and don't do it time

Chorus
