You hear me  
You hear me  
You hear me

Up, up and away in my beautiful, my beautiful  
Up, up and away in my beautiful, my beautiful balloon

Up, up and away in my beautiful, my beautiful balloon  
Now get out.

Gimme, gimme, gimme, gimme, gimme, gimme,  
gimme  
Gimme, gimme, gimme, gimme, gimme, gimme,  
gimme a ride

Gimme, gimme, gimme, gimme, gimme, gimme,  
gimme  
Gimme, gimme, gimme, gimme, gimme, gimme,  
gimme a ride

Hotride in my air balloon  
Skipping fast right around the moon  
On a bullet train out of town  
Walkie-talkie, one hand down

You hear me  
You hear me

Up, up and away in my beautiful, my beautiful  
Up, up and away in my beautiful, my beautiful balloon

Up, up and away in my beautiful, my beautiful balloon  
I push you out

Gimme, gimme, gimme, gimme, gimme, gimme,  
gimme  
Gimme, gimme, gimme, gimme, gimme, gimme,  
gimme a ride

Gimme, gimme, gimme, gimme, gimme, gimme,  
gimme

Gimme, gimme, gimme, gimme, gimme, gimme,  
gimme a ride

Hotride in my air balloon  
Skipping fast right around the moon  
On a bullet train out of town  
Walkie-talkie, one hand down

Hotride in my air balloon  
Skipping fast right around the moon  
Mind's made up  
Their's no luck when time leaves you

Hotride in my air balloon  
Skipping fast right around the moon  
Time's made up  
Their's no luck when time leaves you

You gotta push it!  
Push it!  
You gotta push it!  
Push it!  
You gotta push it!  
Push it!  
You gotta push it! (On my air balloon)  
Push it! (On my air balloon)  
You gotta push it!
