The camera here recording it's a razor sharp boy
Sign of the times
Nothing left to die for
Salvation model army oi son! gotta sweat it out boy
now
They're coming here in legions

Razor sharp is going mad
Razor sharp is going mad
Razor slash the bad man
A fashion left to die for
Razor sharp is going mad
Razor sharp is going mad
Razor slash the bad man

Boy you do what you're told
Resistance you know it's alright
You do what you're told
Resistance you know it's wrong

Boy don't, I'll blow you with a razor save it man
Sign of the times
A fashion left to die for
Salvation model army oi son! gotta set it straight boy
now
They're coming here in legions

Razor sharp is going mad
Razor sharp is going mad
Razor slash the bad man
A fashion left to die for
Razor sharp is going mad
Razor sharp is going mad
Razor slash the bad man
Boy you do what you're told
Resistance you know it's alright
You do what you're told
Resistance you know it's wrong

Razor sharp and stalling man
Razor slash the badder man

Boy you do what you're told
Resistance you know it's alright
You do what you're told
Resistance you know it's wrong
