"What we're dealing with here is a total lack of respect for the law."

Yeah, and their fucking law!
And their goddamn law!
What? just fuck 'em all!
Just fu... It's yours.
I wanna see everybody moving!
Fuck 'em and their law!
And their fucking law!
Tell them all, come and suck my balls!
I don't give a date, I fucking impregnate!
And rock their soul, on the fucking dancefloor!
Just fuck 'em,
And their fucking law!
What are we all here for?
Fuck 'em, just fuck 'em!
(Fuck 'em!) Yeah, and what they do!
(Fuck 'em!) Yeah, and what they say!
(Fuck 'em!) What they do!
(Fuck 'em!) What they say!
(Fuck 'em!) What they stand for!

I am the law, you can't beat the law
I'm the law, you can't beat the law
I'm the law, you can't beat the law
I'm the law, you can't beat the law

I'm the law, you can't beat the law
I'm the law, you can't beat the law
I'm the law, you can't beat the law
FUCK 'EM, and their law!
