[Shug]

Awwwwwwww SHIT!

God damn, motherfucker I thought you knew

Don't fuck with my crew

Should I grab the punk motherfucker by his throat

Cut his head off, like a chicken, watch him croak

Should I just buck him, or should I put my dick in him

Should I let him suck it, well fuck it he got his bitch with him

Cause I'm that nigga that was down wit'cha brother

Ride me so close I could've used you for a rubber

Ride your own dick before I hit you with a brick

Make your mind up, be a man or a bitch

All that top dog shit to me is whack

Supposed to be a dog, but you purr like a cat

Stop all the whinin nigga, and co-signin nigga

Before yo' ass and the devil end up dinin nigga

All that small talk shit you better QUIT~!

You gossip like a bitch, ride your own dick

[Chorus]

Ride your own dick, nigga ride your own dick {\*3X\*}

Ride your own dick motherfucker!

[Shug]

I'm that brother that you dogged out fool

Cause when we first met, nigga we was cool

How much money do you make punk?

Do you make it as a manager or suckin chumps?

Cause when I see you, you're swingin on nuts

All the nuts you ride on, you can't help but suck

Now you wanna tell your boys nigga that you taught me how to rap, stop lyin before I bust caps

First that young D nigga he was all that

But when you couldn't get paid, he was whack, save it

Tellin D's you could have 'em so fuckin large

So fuckin big, but you like fuckin kid

You got goofy, act a motherfuckin groupie

Save that shit, cause real niggaz know the scoop

Claimin that you're rich, top notch in the streets

But when it comes to eatin out you ask me to treat

So you made a few bucks from me, that's alright  
But soon as you got it, you gave it to the pipe  
You're the kind of brother that won't show up  
When it ain't no money cause you don't give a fuck  
But soon as a dollar bill hits a nigga pocket  
Yo' ass come around fast as a rocket  
Hand stuck out, talkin 'bout can you borrow  
Sayin you got bills, that's due tomorrow  
Knowin God damn well that you can't pay it back  
Tryin to juice a nigga for his money, that's whack  
If I was quicker I'd slap you like a bitch  
Now the dog got his tail between his legs  
Ride your own dick

[Chorus] - last two words changed to "PUNK  
MOTHERFUCKER!"

[Shug]  
Stop jockin~!  
I just hate when a brother stays down with me  
Big group, hangin 'round to clown with me  
But when I'm broke there's a change of behavior  
I guess we weren't down cause now it's different  
flavors  
But that's alright cause I don't follow no motherfucker  
Like Native Souls I gotta move on up, brother  
There was times I was sittin in the dark  
Cause my electric bill wouldn't spark  
But I'm the type of brother that would cuss and fuss  
Thinkin of a way to make money 'til my head bust  
So I picked up a pen and wrote a few lyrics  
Cause at first them fools couldn't hear it  
Now I'm the hardest motherfucker that you ever laid  
eyes on  
And I ain't got no dick for you to ride on  
Hooked up with some brothers that got faith  
Cause at first we was takin up space  
Got with Young D, and he laced the tracks  
Now I guess he think I'm all that, right  
First fools in Arizona couldn't see  
Now all of a sudden they ain't blind no more, see  
Got signed with a big-ass company  
And motherfucker think the shit is only benefittin me  
That's alright, I'ma still try to get rich  
And ride my own dick

[Chorus] - change last words to "YOU PUNK ASS  
BITCH!"

[skit to end]
