[Intro: Shyheim] + (Jasmine Rae)

Man, I'm givin' a shout out to my mother and father
That's currently locked up in correctional facility in New
York state
I just came home, man, you know what I'm sayin', it's
real
Thank you for your support, love, loyalty, respect trust
and honor
(Yeah, I've been through ups and downs, I've had so
many days
Thinkin' and dreamin', with no real direction, come on
Shy, what's good?, let 'em know)

[Chorus 2X: Jasmine Rae]

I've been through ups and downs, I've had so many
days
Thinkin' and dreamin', and growin', with no real
direction
They're comes a better time, and from a clearer way
Let it unfold, my life's the greatest story never told

[Shyheim]

My life's the greatest story never told, I really want y'all
to know
Shyheim won't be a fake or fraud, that fronts and fold
Made my contribution, to hip hop history
And I'm one of the only niggaz that ever rocked, with
'Pac and Biggie
At the same time, with one mic, that night is crazy
In '93, I did joints with Big Daddy Kane and Jay-Z
I'm the youngest veteran, muthafuckas, I'm back at it
Even though my moms was a drug addict, made it to
the big screen, acting
With Pam Grier, Denzel Washington and Whitney
Parenthood, with Robert Towns, listen up, you still
with me?
I'm shorty who got shot, in Waterfalls, TLC video
R.I.P., Left Eye, mama, you still with me, yo
I wrote songs for Raven Symone, went on tour, with
Immature
And Vicious, catalog's long, I'm written in Wu-Tang

scriptures

[Chorus 2X]

[Shyheim]

Smokin' that dust so much, really put me off balance
It made me crazy violent, I was bullshitting, wastin' my
talent
On Shaolin, Mother Mallon, used to tell me boy you
fuckin' off
Ridin' around..
