To what is my life amounting

It figures, not much

THE ACCOUNTANTS:

Unhappy

LEO:

I have a secret desire

Hiding deep in my soul

It sets my heart afire

To see me in this role

I wanna be a producer

With a hit show on Broadway

I wanna be a producer

Lunch at Sardi's every day

I wanna be a producer

Sport a top hat and a cane

I wanna be a producer

And drive those chorus girls insane!

I wanna be a producer

And sleep until half-past two

I wanna be a producer

And say, "You, you, you, not you"

I wanna be a producer

Wear a tux on op'ning nights!

I wanna be a producer

And see my name "Leo Bloom" in lights!

CHORUS GIRLS:

He wants to be a producer

LEO:

Sell it, girls!

CHORUS GIRLS:

Of a great big Broadway smash

LEO:

Don't forget the balcony!

CHORUS GIRLS:

He wants to be a producer

Ev'ry pocket stuffed with cash

He wants to be a producer

Pinch our cheeks 'til we cry

CHORUS GIRL #1:

Ouch!

CHORUS GIRL #2:

Eek!

CHORUS GIRL #3:

Ooh!

CHORUS GIRL #4:

Oh!

CHORUS GIRL #5:

Ahh!

CHORUS GIRL #6:

Yes!

CHORUS GIRLS:

He wants to be a producer

With a great big casting couch!

LEO:

I wanna be...

CHORUS GIRLS:

He wants to be...

LEO:

I wanna be...

CHORUS GIRLS:

He wants to be...

LEO:

I wanna be the greatest, grandest

And most fabulous producer in the world

CHORUS GIRLS:

He wants to be a producer

He wants to dine with a duchess and a duke

LEO:

I just gotta be a producer

Drink champagne until I puke

CHORUS GIRLS:

Drink champagne 'til he pukes!

LEO:

I wanna be a producer

Show the world just what I've got

I'm gonna put on shows
That will enthrall 'em
CHORUS GIRLS & LEO:
Read my name in Winchell's column!
LEO:
I wanna be a producer
'Cause it's everything I'm not
THE ACCOUNTANTS:
Unhappy...unhappy...
So unhappy
LEO & THE ACCOUNTANTS:
Very very very very very
very very...
THE ACCOUNTANTS:
...sad
LEO:
I wanna be a producer
Hold everything! What I am I doing here? Mr. Bialystock
was right!
There is a lot more to me than there is to me!
Stop the world, I wanna get on!
MARKS:
Bloom, where do you think you're going?
LEO:
Mr. Marks, I've got news for you. I quit!
Here's my visor...my Dixon Ticonderoga number two
pencil... and my big finish!
I'm gonna be a producer
Sound the horn and beat the drum
I'm gonna be a producer
Look out Broadway, here I come!!
CHORUS GIRLS & ACCOUNTANTS:
Broadway, here he comes!
