(chorus):
(Woohooohoow)
Is it the greed that blinds you
(Woohooohoow)
From your integrity?

Remember when we used to play as little kids? (Can't help myself)
About our cell phones we didn't care.
Why are we so hooked on the things that we don't need? (Can't help myself)
There's more to life than this, oh yeah.

(chorus)

Materialism; the new god for mankind. (Can't help myself)
Instead of church we go to stores.
Create a heaven that will soon become a hell. (Can't help myself)
Possessions don't mean happiness.

(wooooooohoooooohoooo.....)

Bridge:
Is it that we can not see that we need each other?
I can see the writings on the wall.
Living life just to posses, greed is our motivation.
Now it's that we see the errors of the way we're living.

(chorus x 2)

I now understand
that there's a demand
to make better use of our food and our land.
Gaia deserves much more than this.
Reject all the lies.
Open up your eyes.
Now has come the time to finally realize.
Redemption still seems so far away.
