Happy birthday! (x3)

This night has finally come  
It's time to have some fun  
We're all getting loose  
Chasing baby blues

[Chorus:]  
Happy birthday  
It's my birthday and it's your birthday  
So let's go party tonight  
Happy birthday  
It's my birthday and it's your birthday  
So let's go party tonight  
Happy birthday

You've got it  
We want it  
We're gonna get up on it  
You've got it  
We want it  
We're gonna get up on it

So now it's time to think  
Before you start to drink  
Slide your trojan on  
Before your horse is gone

[Chorus]

First stop we hit the body shop  
Next stop you know we're takin' body shots  
You know the Prom Kings make it last all night  
Watch out gonna make your bodies rock  
Watch out know we take ya to the top  
You know we make the parties hot  
Show me yours, I'll show you mine

Happy birthday!

[Chorus]
