I like the little things you do
I like the way your body moves
I like the way you make me go ooh so crazy
I love the way you look at me
You're standing bangin baby please
You got me fallin on my knees begging lady

(chorus)
I love the way you move, say what
I love the way you shake that butt
I love it when you blow me up
Girl you're rollin with the Prom Kings

So this is what I'm gonna do
I'm gonna make you drop and fall into
I'm gonna make you chase a brother who drives you
crazy
So come on baby follow through
I know you really want me to
I know you really want me to drive you crazy

(chorus)

I want you (x8)

(chorus)
