[voice over]

The threat to the world is not over.
As we speak, our futures in grave danger

Ice cube, Mack 10 and W.C. are...MASTERS OF
GANGSTERIZM.

A group of organized street thugs turned business
men
The Gangster, The Killa, and the Dope Dealer.

Through out the western hemisphere connection cells
have been multiplying faster then anticipated.

World domination is a true reality we must face, it
is...upon us.

Capitalism, Materialism, and Imperialism, our world
must never fall in the hands of the WESTSIDE
CONNECTION.

So what the fuck we gon do now

What the fuck are we gonna do now
