Tha world is mine nya get back

Dont mess with my stack the gage is racked

About to drop the bomb I'm tha westcoast don

Big fish in a small pond

Now tha feds wanna throw the book at the crook

But I shook they worm and they hook

Guppies hold they breath

They wanna miss me when I'm tipsey

Runnin everything west of the Mississippi

It's the unseen pullin strings wit my pinky ring

We got your woman so pucker up

Fo we buck her up

Bow down before I make a phone call

Got 25 nyaz runnin up on ya'll

Fo the cheese everybody freeze

Foe we squeeze on ya knees butt naked please

Before any of you guppies get heart

Nya rewind my part and

Chorus: Ice Cube

Bow Down

When you come to my town

Bow Down

When I'm west-ward bound

Because I aint no haters like you

Bow Down to a nya that's greater than you

Verse 2: Mack 10

I take ten steps and I draw (blahow)

Now who's dissin the mad bad Inglewood addition

I bust like a pimple my mind is illmental

The Westside connects with me and south central

And a drag from tha zig zag cant buck with the Philly's

Holdin down tha wild west like a kid they call Billy

Once again it's Mack 10 the gold crown holda

Strong as a Coca-Cola with a crome pistola

Now who wanna fuss so I can buss when I cuss

My look bring you fear with gear deom the Surplus

Since a teen I chased tha green the crack scene king

Lolos Cornishes and Bagguetts on my peices

So reconize these real G's take the cheese

The Westdside Connection keep it rollin like gold D's

Three Wheelin and Dealin is like tha California style

But in tha mean while in my town you got to bow

Chorus: Mack 10

Bow Down

Bow Down

Because I aint no haters like you

Bow Down to to a nya that's greater than you

Flashy fools get rolled up beat the caught up

When you come around keep your chain tucked

From this zero zero's apostrophe is affiliated

Shake a studio lyricist I'm real with this

Talk the talk, walk the walk

Dis me on wax and I'm taking off the whole sidewalk

And punk all ya'll could kiss my converse like sh'o nuff

Verse 4: Ice Cube, Mack 10, W.C.

Superstar status, Look ma' I made it

Still the same nya, Americaz most hated

Westside rollinfor tha playa haters,

Even if we all get murdered in Vegas they can't fade

What's that connect like, Inglewood is where I be from,
Westside rollin and I'm dumping when I see some,
Fool this the module, got dogs doing gang time,
And if you don't claim mine, best to hit the main line,
I'm shaky as a wannabe, but still rich rollin,
Connected for life is my number one slogan,
Put my rag and the homies start tweakin',
Number one on billboard, I still keep seekin'
And we world wide coming, pushin' 600's,
When it comes to gangsta hits we runnin',
Nya please you cant see these on your knees,
World wide dub SCG, WESTSIDE!
