my luck is running out
my socks are turning brown
dreaming of the day when i can
get
back
home

sleeping on the roof of a mexican restaurant
sleeping on the roof of a mexican restaurant

nothings very fun
when girls think you're a bum
dreaming of the day when i can
get
back
home

sleeping on the roof of a mexican restaurant
sleeping on the roof of a mexican restaurant

if you're out of luck and no one gives a fuck
i can sympathize
remember,
if you're out of luck and no one gives a fuck
i can sympathize
