We're not indestructible  
Baby better get that straight  
I think it's unbelievable  
How you give into the hands of fate

Some things are worth fighting for  
Some feelings never die  
I'm not askin' for another chance  
I just wanna know why

There's no easy way out  
There's no shortcut home  
There's no easy way out  
Givin' in can't be wrong

I don't wanna pacify you  
I don't wanna drag you down  
But I'm feelin' like a prisoner  
Like a stranger in a no named town  
I see all the angry faces  
Afraid that could be you and me

Talkin' about what might have been  
I'm thinkin' about what I used to be

There's no easy way out  
There's no shortcut home  
There's no easy way out  
Givin' in can't be wrong

Baby, baby we can shed this skin  
We can know how we feel inside  
Instead of goin' down an endless road  
Not knowin' if we're dead or alive

Some things are worth fightin' for  
Some feelings never die  
I'm not askin' for another chance  
I just wanna know why

There's no easy way out,

There's no shortcut home  
There's no easy way out  
Givin' in can't be wrong  
(Givin' in can't be wrong, no)

There's no easy way out  
(There's no easy way out)  
There's no shortcut home  
(There's no shortcut home)  
There's no easy way out  
(There's no easy, no easy, no easy way out)
