Megaman: I have seen this city a thousand times.
Through the glass twenty stories high, I have watched
this city burn.

If everything that you said is true,
there is no hope someday they will learn.
But if I stay here with you, then I will never know the
truth

Do not say this is how it has to be.

As I walk through the city streets,
these frightened people watching me pass;
there is an evil that holds them here,
yet they won't try breaking its grasp.
But if I stay here with you, then I will leave them to their
doom

Do not say this is how it has to be.
You do no better than the fools of this burning city.

Dr. Light: You have heard me tell this story
Many times before you sleep
No matter how dark this City gets...
Even now, there's hope for man

Megaman: Even here it is not safe
Even this grave has been defaced
Someone has written on this stone
In some angry hand

Hope rides alone.
Hope rides alone.
Hope rides alone.

Megaman: Do not say this is how it has to be
You do no better than the fools of this burning city.

And as I live
There is no evil that will stand
I will finish
What was started: The fight of Protoman

Loudspeaker: We have control
We keep you safe
We are your hope.
We have control
We keep you safe
We are your hope

Human Choir: We have control
We keep you safe
We are your hope
