-=talking=- This goes out to all the ones, them haters  
Whether a bitch or a ho Some of these players are  
bitches too It's all elementary Sideways in the mouth of  
other players Don't ask me why Guess that's just the  
way it is [Sideways] Now why in the world would a playa  
like me envy Cuz these fools always sendin' me Mixed  
signals red yellow green And if you got fetti then you  
know what I mean It seems everybody's actin' playa  
parts when I'm climbin' By me side and cuz I'm triple  
gold ridin' Money hungry freaks, fools who know beats,  
where you hidin'? Roughed up some playas from my  
days like a soldja Everybody know I thought I told ya  
Talk all you want still holdin' my composure East  
double O, O double Bay-Bay How it goes cuz you know I  
got ladies In my back fade, in my back pack All the  
crack backs lookin' for them 10 and 20 sacks Found the  
fun wit a freak late night Game tight so I might as well  
recite Playin' the change, spittin' game to a dame Livin'  
that life critically acclaimed Captain Kangaroo straight  
shakin' us all Who's to say I'm faster than innocence in  
a par-ty Mr. PHD, got my blood warmin' like 100  
degrees So please this ain't dynasty Tryin' to be a  
nominee recipe, H-A-T-E Tweedle dee, tweedle dum  
Leave you in delirium, fe-fi-fo-fum Premium, the EP  
platinum Gums flappin', cuz you can't fade rappin' Slap  
you in the mouth with a dose no joke Hoes with the  
most Chop the game not coke I hope Feel me Sideways  
in the cuts Double trouble phonies end up being lonely  
Nigga rows and hoes all know the game plan Green  
fettuccini mixed with my steak man This goes to those  
who chose to not relate see I put it plain like this don't
