feat. Martie Bacardii 151

[Sideways] *talking*

Yeah

This goes to all them folks

Who like them nasty girls

Now I ain't talkin' about these

"Make love to me"

"Take care of me" lil' thangs

I'm talkin' about buck sessions

Late night creepin's

Straight nasty girls

[Chorus] x 2 *girl moaning*

A nasty girl is what I need and what I want

A nasty girl is super bad, I'd love the flaunt

Nasty girls creep in the back seat

Nasty girls stay nasty everyday of the week

[Sideways]

They say the freaks come out at night time

Written rhymes, lookin' fine

Make some pimp lines wit dollar signs

Brown hair, deriair thick

Took her to my lair

And I swear that I hit this

She said somethin' about a man but that's irrelavent

Had her suckin' on my trunk like I was an elephant

Low tail, [?], 60, feelin' tipsy

Breakin' out the hatters on the ladder

Better miss me

Sicky Sideways only came for one thang

Gettin' bomb headshots in the leftlane

I'm 'bout to cave in

Playa like gold and I'm engravin'

Makin' my toes pop high, freaky relations

[Martie Bacardii 151]

Martie I'm Bacardii is back again

Wit these raps that you haters just don't understand

I spot you at the party

"Do you have a man" [Girl: "No"]

She replied "No"
Another fuck friend
I lace her up with game
She asked from where I came
I tell her Yoc Town friends "Germany and Spain"
She started goin' low
You know how the story goes
I had it all sold
Picture perfect frame
I ain't ashamed
Cuz this girl is jockin' for my name
I turned around and asked you girls
What this street bacame
[Girl: Oh my God]
-ac
