Gimme the horns
Ah She's a brickhouse
She's mighty mighty, just lettin' it all hang out
She's a brickhouse
The lady's stacked and that's a fact,
There ain't hold nothing back

Now she's a brickouse
We're together, everybody knows,
And this is how the story goes.

She knows she's got everything
That a woman needs to get a man, yeah, yeah, yeah
How can she lose, with the stuff that she use
36-24-36, oh what a winning hand!

She's a brickhouse
She's mighty mighty, just lettin' it all hang out
Ah, she's a brickhouse
The lady's stacked and that's a fact,
There ain't hold nothing back.

Now she's a brickouse
She's the one the only one built like an amazon

The clothes she wears, her sexy ways,
Make an old man wish for younger days, yeah, yeah,
yeah
She knows she's built, she knows how to please
Sure enough to bring a strong man to his knees

She's a brickhouse
She's mighty mighty, just lettin' it all hang out
She's a brickhouse, yeah
The lady's stacked and that's a fact,
There ain't hold nothing back.

Shake it down, shake it down, down
Shake it down, shake it down, down
Shake it down, shake it down, down

Shake it, Shake it, Shake it

Shake it down, shake it down, down
Take it down, take it down, down
Take it down, take it down, down

Break it down
Break it down

Yoh

Put your hands in the air like you don't care

Can I get a witness
Can I get a witness
Can I get a witness

She's a brickhouse, yeah
She's mighty mighty, just lettin' it all hang out
She's a brickhouse
And she's the one the only one built like an amazon

She's a brickhouse
She's mighty mighty, just lettin' it all hang out
She's a brickhouse
She's the one the only one built like an amazon
She's a brickhouse
She's mighty mighty, just lettin' it all hang out, yeah
