Fly, to fly like a bird,
To heavens above,
On the wings of love.
Shine, to shine like the sun,
And warm up my life,
And make it all worthwhile, yeah

Hand in my heart, it tears me apart
When I'm away
When I come home
Don't wanna be on my own
I said baby maybe I'm in love

Life, to have and to hold
To cherish the love
That we could share together
High, as high as the moon
The stars in the sky
Beyond them I'd take you and I

Hand in my heart, it tears me apart
When I'm away
When I come home
Don't wanna be on my own
I said baby just maybe I'm in love

Yeah, blow blow blow blow

Yeah, all the way

Fly, to fly like a bird
To heavens above
On the wings of love

Hand in my heart, it tears me apart
When I'm away
When I come home
Don't want to be all alone
I said baby oh baby I'm in love
With you

I'm in love with you
