Have you ever been in love  
Have you ever been in love

Do you remember the last time I said  
If I ever thought of lying,  
I'd rather think of dying instead  
And maybe you remember the last time you called me  
To say we were through  
How it took a million tears  
Just to prove they all were for you  
But those days are through

'Cause it wouldn't have made any difference,  
If you loved me  
And how could you love me  
Well it wouldn't really make any difference,  
If you really loved me  
You just didn't love me

'Cause I know of hundreds of times I could be  
In the most unfaithful arms that you always picture me  
And maybe you remember  
Oh I can't always prove I was so true  
No one else could change my mind or  
Stop me coming home to you  
Cos those days are through

'Cause it wouldn't have made any difference,  
If you loved me  
And how could you love me  
Well it wouldn't really make any difference,  
If you really loved me  
You just didn't love me

Enough to believe me, enough to believe me  
Enough not to leave me, yeah, enough not to leave me  
Enough not to look for a reason to be unhappy with me  
And make me regret ever wanting you  
But those days are through

'Cause it wouldn't have made any difference,

If you loved me  
And how could you love me  
Well it really wouldn't make any difference,  
If you really loved me  
But those days are though

'Cause it wouldn't have made any difference,  
If you loved me  
And maybe you love me  
Well it really wouldn't make any difference,  
If you really loved me  
But those days are though  
Well it really wouldn't
