I will do anything,
Just to make sure, you are okay
And they will nothing,
no one that can never get anyway
I am the darkest knight, move every single mountain
i'm not afraid to fight
cause i know that your worth it
Don't you feel alone, your love is safe for me

I'll be your heart protector
No one will let you fall
I'll be your heart protector
I will get through it all
I'll be your heart protector (x2)

I'll be your soldier, fighter in this battlefield love
No one thing what i do, even the world because (woah)
I'm the darkest knight, move the single mountain
i'm not afraid to fight cause i know that your worth it
Don't you ever feel alone, your love is safe for me
(woah)

I'll be your heart protector
No one will let you fall
I'll be your heart protector
I will get through it all
I'll be your heart protector

Everything i need (yeat)
No one will let you down
Cause girl what i see
I'm not going no where
cause well life isn't fare
i always be there

Heart protector
Heart protector

I'll be your heart protector
No one will let you fall
I'll be your heart protector

I will get through it all (x2)
