[F] Oh papi
[M] Oh love, mama
How you been?
[F] Um, not so good
[M] Well, what's wrong baby?
Talk to me
[F] Papi, where you been?
Damn, I've been missing you
[M] Oh you have?
Why don't you tell me what you been missing

[F] No one's been able to freak me like you
Make me lose control
[M] Yeah
[F] Oh baby
[M] Aaight
[F] I want you to go deeper, deeper, deeper
[M] I can do that babe
You want me to do that?
[F] Yes papi, do that
[M] Tell me what else you want me to do
[F] Let's make love tonight
Take me oh, like a player
Hold me tight
[M] Yeah
I wanna taste you
[F] Oh, yeah, that's right
[M] I wanna caresss your sexy body
Can ya feel me?
[F] I feel ya, got me baby
You got me wet
[M] I'll tell ya what
I'll leave the front door unlocked
I'll be in my bedroom
[F] I'll be waiting
[M] Yeah
[F] Oh, I'll be waiting
