Baby's good to me you know,
She's happy as can be you know,
She said so, she said so
And I'm in love with her, I feel fine.

Baby says she's mine you know,
She tells me all the time you know,
She said so, she said so
And I'm in love with her and I feel fine, I feel fine, yeah

Woh I'm, I'm so glad, I'm so glad that she's my little
girl, yeah
She's so glad, she's so glad that she's telling all the
world.
She's telling all the world, yeah
That her baby buys her things you know,
He buys her diamond rings you know,
She said so, she said so
And she's in love with me and I feel fine, I feel fine,
yeah, yeah, yeah

And I feel fine, and I feel fine
C'mon, ah listen
C'mon, listen

And baby's good to me you know
She's happy as can be you know
She said so, she said so
And baby's good to me you know
She's happy as can be you know
Buys her diamond rings you know
Buys her diamond rings you know
She said so

Baby, lady

Baby's good to me you know
She's happy as can be you know
She said so, she said so
And she's in love with me and I feel fine
And I feel fine, yeah

Woh I'm so glad, I'm so glad that she's my little girl,
yeah
She's so sad, she's so glad she's telling, she's telling
all the world.
That her baby buys her things you know,
He buys her diamond rings you know,
She said so, she said so
And she's in love with me and she's in love with me
And she's in love with me and I oh I feel fine, yeah
