The morning light comes stealing to start a new day  
Out there the world is waiting to take us far away  
And it's time to make the final break  
But the memory will linger forever

If I never see you again  
And think of me now and then  
Though it hurts so sweetly  
They say all good things come to an end

You've changed my life completely  
I'm touched by your love  
Even if I never see you again

The night is so unforgiving, yeah, and I'm on my own  
I realize what I'm missing and now that you've gone  
So I say a prayer, are you out there?  
Are you feeling what I'm feeling now? Yeah

If I never see you again  
And think of me now and then  
Though it hurts so deeply  
They say all good things come to an end

You've changed my life completely  
I'm touched by your love  
Even if I never see you  
If I never see you again

And if I never see you again  
No one can tell you how the story ends  
Where the road will lead  
When love begins, yeah

You've changed my life completely  
I'm touched by your love  
Even if I never see you  
If I never see you

Even if I never see you again  
And if I never see you  
Yeah, yeah, yeah, yeah, yeah
