My love has taken a tumble
ooh
but I'm still standing

you're such a natural
sing
that's what you are.
Say I wouldn't steer you wrong now
baby
I wouldn't steer you wrong.

It's just that sweet mystery that makes me try
try
try
try

it's just that sweet mystery that makes me try
try
try
try.

didn't I come
insisting a side of wonder

didn't I come
resting a higher decision

didn't I come
insisting a side of wonder to your life ?
Say I wouldn't steer you wrong now
baby
I wouldn't steer you wrong.

It's just that sweet mystery that makes me try
try
try
try
...
sweet little mystery that makes me try
try
try

try

that makes me try

sweet little mystery that makes me try

that makes me try

try

try.

Oh

just think of the magic ooh-oooh

don't think it is tragic

hey-hey-hey

just think of the magic

come on

listen:

My love has taken a tumble

my love has taken a tumble

come on

listen:

My love has taken a tumble

but I'm still standing.

Sweet little mystery that makes me try

try

try

try

come on

listen:

Try

try

try

try

try

try

try

try

try

try

try

try

try

try.

My love has taken a tumble
my love has taken a tumble

my love has taken a tumble.
