[Incomprehensible]

When the big guns start shooting  
With the bullets of deception, oh yeah  
With the smile upon your face  
Going from second hand to almost new

Well, I try to live life eye to eye  
But I say I find it far too tall, tall, tall, tall, tall

Show me one more sign  
Give me one more time  
'Cos you give me, you give me  
Gimme, gimme temptation, baby

Show me one more sign  
Give me one more time  
'Cos you give me, you give me  
Gimme, gimme temptation, baby

Sing along, sing along, baby  
Sing along for the love of the children

And if this was to be true  
Say I'd give all the tea in China  
And maybe, all the tulips in Amsterdam

Well, I try to live life eye to eye  
But I say I find it far too tall, tall, tall, tall, tall

Show me one more sign  
Give me one more time  
'Cos you give me  
Gimme, gimme, gimme temptation

Show me one more sign  
Give me one more time  
'Cos you give me  
Gimme, gimme, gimme temptation, baby

Sing along, baby, for the love of the children

At first you make me move  
Until I'm so damn close  
Take me back again, take me back again

I'm saying mighty thankful  
But it's much too easy doing God's job  
Paying dues and learning vices  
But no but no but, oh no  
You won't waste my angry spirit

Oh, show me one more sign  
Give me one more time  
'Cos you give me, you give me  
You gimme, gimme, gimme temptation

And show me one more sign  
Give me one more time  
'Cos you give me, you give me  
Gimme, gimme, gimme temptation
