Oh, this time  
I'm not gonna let you get away  
Oh, this time  
I'll find a way to make you stay

When I say I love you  
I'm serious  
'Cause this time

Oh, this time  
I won't leave you alone  
Oh, this time  
I'll make this house a happy home

There's nothing to change  
About you girl  
'Cause this time

This time  
I won't listen to what my friends say  
Oh, this time  
Gonna do everything my way

Oh, this time  
I'll change my attitude  
Oh, this time  
I'll make all your dreams come true

This time  
I won't stand to see you cry before I leave  
Girl, you know I'd rather die  
When the sun beats through my window  
I'll be loving you and you'll be loving me  
This time

This time  
I won't listen to what my friends say  
Oh, this time  
Gonna do everything my way

Oh, this time  
I'll change my attitude

Oh, this time  
I'll make all your dreams come true

This time  
I won't stand to see you cry before I leave  
Girl, you know I'd rather die  
When the sun beats through my window  
I'll be loving you and you'll be loving me  
This time

Oh, this time  
Oh, this time, oh, please, please stay  
Oh, this time, oh, please, please stay  
Oh, this time, oh, please, please stay
