He would swear by his mouth, Almighty

I was living in a world of make believe  
When my best friend wrote and told me  
That there may be a job in the city

I was living in a world of make believe  
When my best friend wrote and told me  
That there may be a job in the city  
And you never told me

He would dream about another scheme  
About another sordid hall of dreams  
About a man who's king of industry

He would swear by his mouth Almighty  
He would buy the best but never something new  
And he never told me

I like kicking in the gutter and wishing I was lucky  
Wishing I was lucky, wishing I was lucky  
Oh, I like kicking in the gutter  
Wishing I was lucky, wishing I was lucky

It's the only life I know

Lie, lie, lie is all you ever do  
To make me wanna push on through  
Cry, cry, cry is all I ever do

Say you wanna make me push on through

I like kicking in the gutter and wishing I was lucky  
Wishing I was lucky, wishing I was lucky  
Oh, I like kicking in the gutter  
Wishing I was lucky, I was wishing I was lucky

Kicking in the gutter  
Wishing I was lucky, wishing I was lucky

It's the only life I know

My best friend wrote and told me so  
He said that there may be a job in the city  
Yeah, yeah yeah, oh baby

I like kicking in the gutter and wishing I was lucky  
Wishing I was lucky, wishing I was lucky  
I like kicking in the gutter, wishing I was lucky  
I was wishing I was lucky

Kicking in the gutter  
Wishing I was lucky, wishing I was lucky

Hey, son go, hey, son go to the city  
Hey, son go, hey, son go to the city  
Hey, son go, hey, son go to the city  
Hey, son go, hey, son go to the city
