What would you think if I sang out of tune  
Would you stand up and walk out on me  
Lend me your ears and I'll sing you a song  
And I'll try not to sing out of key

Ooh, I'll get by with a little help from my friends  
Ooh, I'll get high with a little help from my friends  
Ooh, I'll get by with a little help from my friends  
My friends

What do you do when our love is away  
Does it worry you to be alone  
How does it feel by the end of the day  
Are you sad because you're on your own

Ooh, I'll get by with a little help from my friends  
Ooh, I'll get high with a little help from my friends  
Ooh, I'll get by with a little help from my friends

Do you need anybody? I need somebody to love  
Could it be anybody? I need somebody to love  
To love, to love

Would you believe in it's love at first sight  
Yes, I'm certain that it happens all the time  
What do you see when you turn out the lights  
I can't tell you but I know that it's mine

Ooh, I'll get by with a little help from my friends  
Ooh, I'll get high with a little help from my friends  
Ooh, I'll get by with a little help from my friends

Do you need anybody? I need somebody to love  
Could it be anybody? I need somebody to love

Ooh, I'll get by with a little help from my friends  
Ooh, I'll get by with a little help from my friends  
Ooh, I'll get high with a little help from my friends  
Ooh, I'll get by with a little help from my friends  
With a little help from my friends

My friends, my friends, my friends, my friends

My friends, my friends, my friends
