You can have your buildings and your heavy arithmetic
I don't need no crowded streets or city slicker tricks
I just need to be someplace where I can move around
Look down at my toes and I can still see the ground

Gimme that country side of life
Which way I can stretch out right
Gimme the countryside ooh lord
That country side of life
Which way I don't get uptight
Gimme the countryside

I'm going down to the fishing pond where I can throw
my line
It don't matter what fish I catch I only wanna rest my
mind
The only fish you get downtown ain't caught with a
hook and sinker
Put on your brakes beep beep honk your horn look out
now turn on your blinker

Gimme that country side of life
Which way I can stretch out right
Gimme the countryside oh
That country side of life
Which way I don't get uptight
Gimme the countryside

I was born in a Georgia town with a natural lazy streak
Laid back lovers just playing their games and staying
off their feet
Nobody trying to get on your nerves or trying to get
what you got
Live and let live by the golden rule now don't it just hit
the spot

Gimme that country side of life
Which way I can stretch out right
Gimme the countryside ooh lord
That country side of life
Which way I don't get uptight
Gimme the countryside

Gimme that country side of life
Which way I can stretch out right
Gimme the countryside ooh lord
That country side of life
Which way I don't get uptight
Gimme the countryside
