Well you say you got the blues  
You got holes in both of your shoes, yeah  
You're feeling alone and confused  
You got to keep on smilin', just keep on smilin'

Yeah, you're, you're 'bout to go insane  
'Cause your woman's playing games  
And she says that you're to blame  
You try to keep on smilin', just keep on smilin'

Keep on smilin' through the rain  
Laughin' at the pain  
Just flowin' with the changes  
Till the sun comes out again

Keep on smilin' through the rain  
Laughin' at the pain  
Just flowin' with the changes  
And singin' this refrain

Singing in a honky tonk cafe  
Nobody's hearin' what you play, yeah  
They're too busy drinkin' anyway  
You gotta keep on smilin', brother, keep on smilin'

Say you, you found a piece of land  
Gonna change from city boy to country man, yeah  
Try to build your life with your hands  
And just keep on smilin', keep on smilin'

Keep on smilin' through the rain  
Laughin' at the pain  
Just flowin' with the changes  
Keep on singin' this refrain

You're just hangin out in a local bar  
And you're wonderin' who the hell you are  
Are you a farmer? Are you a star?

Smile on through the rain  
Laugh all through the pain  
Flow on with the changes

Till the sun comes out again

Keep on smilin', smilin', smilin', smilin'  
Laughin', laughin', said laughin', laughin'  
Keep on flowin', flowin', flowin', flowin', yeah  
Smilin', smilin', smilin', smilin'
