Eyeballs scrape the floor
Eyeballs roll over other eyeballs
Roll over

Watching
Wait. Stop. Send. Message:
Legs kick kick legs walk kick out
Kick in
Wait. Stop. Send. Message:
Quit running

Move kids kick stomp
And clap clap you're clap into clap
But no one does until no one does
Stop it.

Whatever falls to the ground don't need no stopping
Whatever sinks in the dirt don't need no stomping
Whatever falls to the ground, Whatever sinks in the dirt
Oh...

Stop it. Stop it.
They roll over you
Lined against the wall and bar am Everyone
It are in love with the floor
Wait. Stop. Send. Message:
Wait. Stop. Send. Message:
Kick it. Kick it.
Eyes falling on you
Lined against the wall and bar am Everyone
It are. Stop it.
