[Hook]

They don't count by spokes no more, they counting by inches

Them ain't 20's on my ride, them 22's you jive bitches  
Switching lane to lane, make em respect my fucking brain

I'm coming down shining, candy painted wood grain  
I'm cruising down the street (uh-oooooh), real slow  
What the fuck are they yelling (there it go, T-Bo)  
Yeah you right, you fucking right that's me  
Beating down your block, rims chop ridiculously

[T-Bo]

I paid the cost to be the boss, up in this here floss shit  
Hit the lot went by the knot, don't even ask what the cost is

It's hot in the Dirty South, you know the top got to come off it

Lane to lane, with a slim Diana Ross bitch  
You might see me hit the slab, big car candy green  
Don't blink hit the corner, it's a flipping tangerine  
Lil' kids telling they mama, did you see what I just seen  
What that white boy acting a ass, in a truck so clean  
Be mugging haters, like it ain't no thang mayn  
I make them bitches oochie wally, while my thugs  
oochie bang bang

Maintain, my name up in this dirty rap game  
Like M and Dre did, me and B-Rock gon do the same  
thang

Police point and stare, they don't turn around  
That big body truck'll, burn em down  
Keep that thang on my seat, in case them haters try to clown

T-Bo the Firecracker, so you know I'm coming down

[Hook]

[T-Bo]

I'm coming down shining, like a shooting star  
I'm ice grilling haters, won't give a fuck who you are  
You mad cause my rims, cost a lil' bit more than your

car

Now does that make me stupid, or a superstar  
The things I'm bout to do to you, y'all ain't ready  
Coming down down baby, but I ain't Nelly  
Watch my rims chop, cut chop like a mechetti  
22 inch Perelli's, on a Avalanche Chevy  
I hit the intersection, gripping my gun tight  
The police pull me over, but hogging the sunlight  
Like don't be mad at me lil' daddy, cause your shit  
don't run right  
You out shining me, is like bringing a knife to a gun  
fight  
Cause I'ma be the bucket, with the interior tore out  
Do a 2003 Lexus, with the brains blowed out  
And everywhere I go, you know that I'ma show off  
T-Bo going multi-platinum bitch, no doubt
