Margaret

by the Silos, from _Cuba_

Margaret goes to bed around 8

I got to bed around 1

Margaret gets up at 6

I get up at 6

-- chorus

Four days a week

and you're a family

four days a week

fortunes

oh Margaret!

Margaret is willing to share her food

share her thick brown hair

Margaret is willing to share her toys

share her deep brown eyes

(chorus)

Sundown (slide guitar)

and the clouds cover up the stars

what now

but before she close her eyes

it all comes out

she speaks all the words she knows

her lungs so small, her breath so warm

Margaret goes to bed around 8

I got to bed around 1

Margaret gets up at 6

I get up at 6

(chorus
