I lost my crown
When it hit the ground
With an almighty thud
I went to pick it up
And reveal my weaknesses to the crowd

And I lost my home
When I lost my throne
To a successor
With far more expansive plans
Than I ever did
I advocated

You're the last thing I want
I'd love to stay here
You're the last thing I want
I'd love to live here

I sat in my castle
And I waited on news
From one final battle
That we couldn't afford to lose
And I whispered suddenly
My greatest fears to anyone who would hear me

You're the last thing I want
I'd love to stay here
You're the last thing I want
I'm going to stay here
