Roll up your sleeves  
We're heading for winter I know  
The nights will get colder  
And I'll make my bed  
Make sure I'm all fed and asleep  
And wake when we're older

Slower  
But I can wait this out  
Forming an orderly queue  
Outside your house

Roll up  
Up your sleeves for winter  
And I can wait till summer  
When you're warmer

Roll up your sleeves  
We're heading for winter I know  
The nights will get colder  
And I'll make my bed  
Make sure I'm all fed and asleep  
And wake when we're older

Slower  
But I can wait this out  
Forming an orderly queue  
Outside your house  
I'm not even kiddin'

Roll  
Up your sleeves for winter  
And I can wait till summer  
When you're warmer

Roll up  
Up your sleeves for winter  
And I can wait till summer  
When you're warmer

Stay calm  
Keep warm
