Since you've gone - I'm all alone - Stop
Just can't make it on my own - Stop
Operator did you get the line
Rush a cable for I've got no time -
Gotta send a Telegram
Telegram to my Baby
Yes
I'm gonna send a
Telegram
Telegram
And then maybe
He won't keep me yearnin'
Tonight he'll be on his way
Tomorrow he'll be here to stay
Help me
Ma'am
I can't wait another day
Please forgive the things I said - Stop
Didn't mean to make you sad - Stop
Operator I'll pay any rate
If my message will not be too late -
Gotta send a Telegram
...
I was such a fool to let him go
Too proud to show that I love him so
Gotta send a Telegram
...
Help me Ma'am
Gotta send a Telegram
