Luigi-Whut? Silver Tuna hit the club like

3 vocals plugged.We representing

like some partying thugs,We represent

"The Graveyard".Ya'll niggas think ya

hard,I'm telling right now...I ain't no

"Charizard".We like some "I-H" sprite

card.Yo,it's the vengeance how we get

into your mind,and your dreams,like

"The Sandman",you wake up in a trance

confused.And you don't understand,

uhh...I got you all confused.I got

you all confused,like you in a

candy store,and don't know which

mint to choose.We're trying to get

our roll on,

what's rollin',

juice flowin',

I buckle up,because "Tuna" ain't

trying to get swollen.Don't know

where I'm going like "The Caddy".

I come out with the original,

throwing some berries, but intentional.

I make "Oops! All Berries" to make

ya'll cats go 3 dimensional.

Beezwax-Like Whut? "Rabbit". And I'll bring

tennis ra-rac-rick-rick (Scratching)

rackets to ya awards so I can smack it.

Too much platinum,

too much gold,

when "Silver" was sold,

outlaws told where the story was

told. Plus, ya teeth is like "WHOA!",

and lyrically, I'm suppose to rep

"Past-Tense", and can't do nothing nice

when I rock ice. Your super-sharper

than my shining knife, and can't roll

3 dice off the mic like you dumb,

and you don't know what's rice...

CHORUS

Beezwax-"Whut you representing, "Silver T-U-N-A".

The illest squad out, so get out of they

way!

Luigi-"So whut you representing, "Silver T-U-N-A",

bankrupt about 10 years ago.

On high street at the age 3,
brought back memories that created
my industry.And the sunsetting shores
of thailand,that I wanted to live on,
as one of the kings owning "The Clubbie",
I'd never get to far.restricted from
"Rated R" knowing I knew every
innopropiate phrasein the book,
"Crash Dummies" and crooks was never
a good influnce...

Luigi-Yo,Yo! I was about to go to "McDonald's"
but instead,I wanted some biscuits,
some extra cornbread.Yo,I'm going to
"K.F.C." so I can get my extra crispy,
and some barbeque sauce,because I'm
feeling so pissy.Yo,(BOOM!)"I'm coming
for real?","If you didn't know me because
I really didn't compadile?" Like 2 clips
in ya chest,like ya all recked up,from
the neck up,hecked up...because I got
you...checked up(UHHH!)I'm eating cookies
for real fudgeing,because I'm...

Yo,Yo! like "Gohan" I got your mom in

check,like 2 powerful wars,because we're
throwing up your neck.I'm like new improved
remover wealth,
because I'm,because I'm all on your health!

CHORUS

Beezwax-"Whut you representing,"Silver T-U-N-A".

The illest squad out,so get out of they
way!

Luigi-"So whut you representing,"Silver T-U-N-A",
we represent from "Georgetown" to "U.C.L.A."

Beezwax-"Whut you representing,"Silver T-U-N-A".
