Intro:

Right yah now wi a kill the wrong set a people  
Wi a point the gun pon the wrong set a man  
See whey mi a say  
Squidlididlibaababaabalu  
Squidlididlibaababaabalu  
Run di bass, chuh

Cho

I an I naw guh bow  
How wi fi kill man fi Shower, an guh dead fi Bibow  
Who, a we a run bout yah now  
So if it call fi man dead  
Man wi dead like cow  
Cause

1. No more politics caan come between  
Until di whole a di gully dem clean  
No more politician man naw drive in  
Until di road dem dun barbergreen  
But, Tivoli man can ride an come in  
Jungle man and Rema man fi link as a team  
An show dem when wi talk a exactly dat wi mean  
An if dem caan hear den we rise di machine

Cho

2. Cause two don fly down from South Caroline  
With two dozen glock and some cris tech-9  
Two key a coke and whole heap a carbine  
An start draw borderline  
But how yuh coulda waan mi fi shoot up mi fren  
Thru yuh come bout an little money start spen  
Well if a so yuh mind stay nuh come bout yah den  
Caw dem dey idiot talk naw work again  
Yuh a hrear fren

Cho

3. Mi look inna mi life an mi see no hope  
Mama she a work but she caan seem to cope  
Mi bredda start juggle wid the guns and the dope  
Now him tangle in the end of the law man rope  
But I and I say unno fi think smart  
Ghetto youth never born fi push no cart  
Well here a man hear a man dey pon di warpath  
Wi dis whey wi fi dead so we end up wid nought  
Still

Cho
