Woman give you love but ya give no respect, yeah

Woman give you love but ya just want to play

Sun is shinin, girls are showin skin, yeah

She wouldn't want you so bad if she knew where you  
been

(chorus):

Ain't gonna hurt nobody,

Don't have to leave the party,

I'm 'bout to aks somebody,

"Who is your friend?"

Roll me up a spliff, I want to get lit

Roll me up a spliff, I want to get lit

Crack the keg, I wanna skank up my head

Break up the fight, we playin reggae tonight

(chorus)
