If you need somebody to hold you
To love you
Even when that seems that no-one cares
If you need somebody to show you
To feel good
Even when your times of lose your heart

I know of a love that is purely true
Doesn't matter what you're going through
He will see you through

Chorus:
The love of Jesus
Is more than down on me
The love of Jesus
Breaking through every time
The love of Jesus
He delivered me from sin
The love of Jesus
Just try my Jesus

If you need somebody to hold you
To love you
Even when that seems that no-one cares
If you need somebody to show you
To feel good
Even when your times of lose your heart

I know of a love that is purely true
Doesn't matter what you're going through
Jesus cares for you

[repeat chorus]

(Whoo, whoohoo)

If you just try my Jesus
Trust in Him He'll see you through
His love will cover your veins
His love will cover your sorrow
If you just try my Jesus

Trust in Him He'll see you through
If you try my Lord I guarantee you that evil is not
forever

If you just try my Jesus
Trust in Him He'll see you through
It's time for a new beginning and join this wonderful
feeling
If you just try my Jesus
Trust in Him He'll see you through
He comes to give you the peace, won't you come and
receive it
If you just try my Jesus
Trust in Him He'll see you through
He will give you restoration; He is the Lord of Salvation
