You hobo humpin' slobo babe
Get it off, get off, get off of me!
You hobo humpin' slobo babe
Get it off, get off, get off of me!

Baby, we don't love ya
Baby, we don't love ya, baby, yeah!
Baby, we don't love ya
Baby, we don't love ya, baby, yeah!
Baby, we don't love ya
Baby, we don't love ya, baby, yeah!

Seeking candy, on the shore
Lost her eyesight, teeth are poor
Left for dead, back for more
Left for dead...

Seeking candy, who sleeps around
Araid of telling, tiny sounds
Left for dead, left for good (seeking candy)
Left for dead, not understood (back for more)

But you... (back for more)
Always came back for more...

You hobo humpin' slobo babe
Get it off, get off, get off of me!
You hobo humpin' slobo babe
Get it off, get off, get off of me!
You hobo humpin' slobo babe
Get it off, get off, get off of me!
You hobo humpin' slobo babe
Get it off, get off, get off of me!

Yeah! Yeah! Yeah! yeah!
Yeah, yeah, yeah, yeah!

Seeking candy, out of line
Broken kneecap, velvet spine
Left for dead, left for good (seeking candy)
Left for dead, misunderstood. (back for more)

But you... (back for more)
Always came back for more...

You hobo humpin' slobo babe
Get it off, get off, get off of me!
You hobo humpin' slobo babe
Get it off, get off, get off of me!
You hobo humpin' slobo babe
Get it off, get off, get off of me!
You hobo humpin' slobo babe
Get it off, get off, get off of me!

Baby, we don't love ya, (seeking candy)
Baby, we don't love ya, baby, yeah! (out of line)
Baby, we don't love ya, (broken kneecap)
Baby, we don't love ya, baby, yeah! (velvet spine)
Baby, we don't love ya, (left for dead)
Baby, we don't love ya, baby, yeah! (left for good)
Baby, we don't love ya, (left for dead)
Baby, we don't love ya, baby, yeah! (misunderstood)

You hobo humpin' slobo babe
Get it off, get off, get off of me!
You hobo humpin' slobo babe
Get it off, get off, get off of me!
You hobo humpin' slobo babe
Get it off, get off, get off of me!
You hobo humpin' slobo babe
Get it off, get off, get off of me!

Yeah! Yeah! Yeah! Yeah!
