We all want a second  
Well you got it now  
Which one of you want to hear it

And We all want a second  
Well you got it now  
Which one of you want to feel it

Lie to me  
Now you don't  
Claim a little floor  
Won't you man

Honestly  
Now you wait a second  
You're dead

You all form a circle  
Spread love around  
Which one of you want hear it

And We'll all form a circle  
Spread love around  
Which one of you want to feel it

Dance for me  
Now you don't  
Claim a little floor  
State your plan

Honestly  
Now you wait a second  
You're dead

Dance for me  
Now you won't  
Claim a little floor  
Won't you man

Honestly  
Now you wait a second

And You can get out any time that you want to  
You can get out any time that you want to  
You can get out any time that you want to  
Now

Come on  
Spread love around  
Which one of you want to hear it

And We'll all form a circle  
Spread love around  
There's no one else around  
Which one of you want to
