

## Whatever It Takes "Life, Voice, Action, Change"

it seems today  
and it is so sad to say  
people and their differences  
build up like brick walls...

wether color of skin  
or sexual preference of a human  
one can only take so much...

[Chorus:]  
it takes LIFE  
for this to begin  
we raise out VOICE raise up and sing in,  
ACTION to bring  
CHANGE

[Bridge:]  
I'm not wasting my time  
with bullshit and lies  
you're talking too much  
I wont waste my time  
so I raise my voice  
and I raise my fist  
ill see you in the end
