(V1)

I've ran away from
all my problems
but there is one thing
that i've forgotten

I can't remember
kind of annoying
and they're after me
so gotta go soon

(CH)

There's nothing left for me to say
I've packed my bags and flown away
I've done a runner to the place
Where I can safely show my face

There's nothin' left that they can do to
Break the bond of me and you so

Get your ass back here to me
here in south west germany

(V2)

I wanna show ya
That there is somethin'
quite a big thing
down in my (ding dong)

You gettin saucy?
That don't annoy me
but what annoys me
is u ain't here so

(CH)

So when you coming?
cos I am waiting
just like I have been
so come and get me

I think they found me
they're all around me
I gotta plan though
I'll see you back home
