It's been a long, long day  
I got some run-down shoes  
Ain't got no place to stay  
But any old place will be okay  
It's been a long, long day

Good night  
Good night  
Oh, my love

I've sure been on this road  
Done nearly fourteen years  
Can't say my name's well known  
You don't see my face in Rolling Stone  
But I've sure been on this road

Good night  
Good night  
My love

Slow motion  
Half a dollar bill  
Jukebox in the corner  
Shooting to kill  
And it's been a...

It's been a long, long day  
I sure could use a friend  
Don't know what else to say  
I hate to abuse an old cliché  
But it's been a long, long day  
It's been a long, long day
