We sailed up a river wide as a sea
And slept on the banks
On the leaves of a banyan tree
And all of these spirit voices rule the night

Some stories are magical, meant to be sung
Song from the mouth of the river
When the world was young
And all of these spirit voices rule the night

By moon
We walk
To the brujo's door
Along a path of river stone
Women with their nursing children
Seated on the floor
We join the fevers
And the broken bones

The candlelight flickers
The falcon calls
A lime-green lizard scuttles down the cabin wall
And all of these spirit voices
Sing rainwater, sea water
River water, holy water
Wrap this child in mercy? heal her
Heaven's only daughter
All of these spirit voices rule the night

My hands were numb
My feet were lead
I drank a cup of herbal brew
Then the sweetness in the air
Combined with the lightness in my head
And I heard the jungle breathing in the bamboo

Saudacoes Greetings!
Da licenca um momento Excuse me, one moment
Te lembro I remind you
Que amanha That tomorrow
Sera tudo ou sera naoa It will be all or it will

be nothing
Depende, coracao It depends, heart
Sera breve ou sera grande It will be brief or it will
be great
Depende da paixao It depends on the passion
Sera sujo, sera sonho It will be dirty, it will
be a dream
Cuidado, coracao Be careful, heart
Sera util, sera tarde It will be useful. it will be
late
Se esmera, coracao Do your best, heart
E confia And have trust
Na forca do amanha In the power of tomorrow

Lord of the earthquake
My trembling bed
The spider resumes the rhythm
Of his golden thread
And all of these spirit voices rule the night
