(Ok lets see..  
so shes going to make love to me..  
thats.. thats good  
then shes going to kill me and eat me  
thats bad)

Living dead girl, love me please  
Is the devil taking you from me?  
I'll sell my soul to rot with you forever  
And I will do what I must  
To keep your coffin collecting dust  
Your kiss of death will keep us locked together

I look into your black rimmed eyes  
I offer my soul to you  
And deep inside your black heart  
Do you think our love is true?

Living dead girl,  
don't you cry  
Cuz you're haunting my dreams tonight  
Your name grafted in my flesh Like a blowtorch

Living dead girl, say goodbye  
If only this death could be defied  
my mortal sins insure I'll see you someday  
Pentagrams and pretty eyes  
I'll protect you from the daytime sky  
If you promise we'll stay true in death forever

I look into your black rimmed eyes  
I offer my soul to you  
And deep inside your black heart  
Do you think our love is true?

Living dead girl,  
don't you cry  
Cuz you're haunting my dreams tonight  
Your name grafted in my flesh Like a blowtorch  
Living dead girl,  
don't you cry

Cuz you're haunting my dreams tonight  
Your name grafted in my flesh Like a blowtorch

Living dead girl,  
don't you cry  
Cuz you're haunting my dreams tonight  
Your name grafted in my flesh Like a blowtorch  
Living dead girl,  
don't you cry  
Cuz you're haunting my dreams tonight  
Your name grafted in my flesh Like a blowtorch
