Can I try to talk some sense into you?
A hopeless stab at all the stupid shit you do
Go away, go away,
I'm surprised that you care
So much about your makeup and your fucking hair

Congratulations!
You've got fucking attitude
Your parents think
your non-conformity is cute
Give me a gun!

I was dumb once, bought into everything
But time has altered my perception of this scene
I'm really trying to have a positive attitude about you
Look this way, look this way - I
'm surprised that you care
Look away, look away -
pretend that you don't care
You're a fake, you're a fake -
so get outta my face
Isn't it past your goddamn bedtime, anyway?

Congratulations!
You've got fucking attitude
Your parents think
your non-conformity is cute
Give me a gun!
Give me a gun!
Give me a gun because
your good as dead to me

I was dumb once, bought into everything
But time has altered my perception of this scene
I'm really trying to have a positive attitude
You say I'm cynical, I say your scene is screwed

Congratulations!
You've got fucking attitude
Your parents think (Give me a gun!)
your non-conformity is cute

I cant believe the things
your saying to me (Give me a gun!)
Like a disease
your complanings killing me
Give me a gun!
Give me a gun!
Give me a gun!
Give me a gun!
