We all want a second
Got an hour
Twenty-one year

We all want a second
Got an hour
Twenty-one feeling

Lie to me
Now you don't
Cling to the floor
Won't you know?

Honestly
Now you wait a second
You're dead

You all form a circle
Spread love around
Sonny, you won't hear it

We all form a circle
Spread love around
Twenty-one feeling

Dance for me
Now you don't
Cling to the floor
State your man
Honestly
Now you wait a second
You're dead

Dance for me
Now you won't
Cling to the floor
Won't you man?

Honestly
Now you wait a second
You can get out any time that you want to
You can get out any time that you want to

You can get out any time that you want to
Now

Come on
Spread love around
Twenty-one year

We all form a circle
Spread love around
No one else around
There's only one
